Attendance of family, friends and children is welcome, and encouraged. **Doctors, nurses, blood bank staff and other medical personnel** that treat these patients are also welcome to attend.

Dinner will be provided at **no cost** and parking will be validated by the restaurant. However, to ensure sufficient quantities we request that you register for this event in advance.

You can register by sending a registration via email (soft copy available on web site), by phone, or by fax. Forms and posters are also available at Dr Cameron's office in Ottawa, and can be left with the office to be forwarded to us.
